We ask that all teams respect the fact that indoor cricket is primarily played for social reasons and as such should be played in good spirit and with a measure of self-control. For this reason alone, the "SPIRIT OF THE GAME" will be considered by the Umpire in all decisions that they make. Foul or abusive language, intentional dangerous play, over aggressive play, and a lack of respect for other players personal safety are just some of the examples of what we consider to be detrimental to the "SPIRIT OF THE GAME".
